

April 14, 2022

## [2022/2023 Kindergarten registration now open](#)

Kindergarten registration for the 2022/23 school year is now open. Children who turn 5 by December 31<sup>st</sup>, 2022 are eligible to register. To register, you need to fill out a student registration form, available at the school office or at the link found here: <https://www.sd8.bc.ca/kindergarten-registration> . Also required is the child's birth certificate, MSP carecard, and proof of residence (ie utility bill, passport, driver's license).

## [Northern Birthday Project](#)

Ms. Ziefflie's Gr 1/2 class sponsored a birthday through the Northern Birthday Project. The Project sends the donor the name and age of a child in the northern provinces of Canada, where birthday items are extraordinarily expensive, or not available at all. Ms. Ziefflie's class was assigned a girl's 7<sup>th</sup> birthday in Nunavut. They made birthday cards to send along with everything needed for a great birthday party- cake mix, icing, decorations, party favors etc. Thank you very much, Ms. Ziefflie's class, for doing your part to show kindness.

## [Community Garage Sale for Ukraine](#)

Be the Change senior members will be holding a garage sale at the school on Saturday, May 7. All proceeds will go to the Global Giving Ukraine Crisis Relief Fund to support their efforts for the people of Ukraine, link found here: <https://www.globalgiving.org/projects/ukraine-crisis-relief-fund/> . All items at the garage sale will be offered by donation.

We are asking our school community for items that they would like to donate to this cause. If you have any items you would like to donate to the garage sale, please drop off at the school on May 5<sup>th</sup> and 6<sup>th</sup>. All items remaining after the garage sale will be donated to Gleaners.

Please contact the office if you have any questions.

## [Lost and Found](#)

Now that winter is over our Lost and Found is bursting at the seams! Please feel free to come down and take a look through the bin for your students lost items. The Lost and Found is located in the hallway just outside the gym.

[Be the Change garbage pickup](#)

This past Wednesday, there was a Be the Change field trip for our Gr 5-7 members to pickup garbage that had accumulated in the lot across from Save-On-Foods. As a UNESCO school, we encourage our students to be active in sustainability and action. By collecting the trash, we are helping to keep our waterways safe and clear. Thank you, Be the Change students, for modeling leadership in our community.
